

Social Responsibility Action Plan 2011 – 2016 Updated 03/05/2014

UUC Mission Statement – The mission of the Unitarian Universalist Congregation is to provide a liberal religious environment that promotes personal and spiritual growth for adults and children in a caring community and fosters actions in the world that reflect our Unitarian Universalist principles.

Committee Mission Statement -The mission of the Social Responsibility Committee is to engage in social action and community outreach, integrating social justice work into the overall life of the congregation and producing a significant impact on targeted social justice issues at local, national, and international levels.
